"STAR EXPORT HOUSE" Recognised by Govt. of India**Specification of Coated White Top Linerboard****1ST SEPTEMBER,2017**

Krishna Coated White Top Linerboard is designed for high graphics users who need the ability to generate high print gloss and ink density. It is post-printable without the aid of dryers, yet suitable for the demands of preprinters. Our coated white top offers superior runnability and convertibility, with the compression strength of regular white tops.
